Money laundering is the act of concealing the transformation of profits from illegal activities and corruption into ostensibly "legitimate" assets. One problem of criminal activities is accounting for the proceeds without raising the suspicion of law enforcement agencies.

## **Money laundering - Wikipedia**

Fiat money is a currency without intrinsic value that has been established as money, often by government regulation. Fiat money does not have use value, and has value only because a government maintains its value, or because parties engaging in exchange agree on its value. It was introduced as an alternative to commodity money and ...
