ship of the claimed work, including the title of the work, the author of the work, the name and address of the claimant or copyright owner, the year of creation, and information about whether the work is published, has been previously registered, or includes preexisting material.

Circular 1 Copyright Basics

In his view, there was no proper balance between music and theatre in the operas of his time, because the music seemed to be more important than the dramatic aspects in these works. To restore the connection with the classical drama, he entirely renewed the operatic form to emphasize the equal importance of music and drama in works that he called " music dramas ".
