as you can see above, the document has been scaled down to 80%, re-printed to PDF, but however its scaled it down in the centre of the page, I would like the contents of the PDF to be aligned to the left of the page, so all the white space is at the right side of the page (instead of being a band of white space down each side)

The One I Left Behind is the story of Reggie, whose mother was taken by a serial killer 25 years ago. The assumption has always been that Reggie's mother was dead and the body just wasn't discovered. That is, until she shows up at a homeless shelter.

The One I Left Behind is about more than a serial killer. It's about growing up, confronting the past, and learning that what you see isn't always the truth. It gave me shivers and had me guessing on the identity of Neptune until the very end. If you're looking for a good thriller, this is your book.

This is an astonishing novel which beautifully connects present and past in a tale of war and love. The Girl You Left Behind has a dual time-frame narrative; the first part is seen through the eyes of a woman in occupied France in 1916, the second through one living in modern day London.
