### **Meaningful Work: Transgender Experiences in the Sex Trade**

The Red Umbrella Fund is the first global fund guided by and for sex workers. We believe that change will only be achieved through strong, collaborative movements of sex workers advocating for their rights, with the support of their allies. Sex workers themselves are the best positioned to know what is needed for them, and best placed to do something about it. The Red Umbrella Fund exists to mobilise resources to help strengthen and sustain the movement in achieving human rights for sex workers.

symbol for sex workers's rights.
