## **Section 1: Vikings in History - The Dead | David Gatward**

The Vikings Towards the end of the 8th century, Norsemen (â€˜men from the northâ€™™) began carrying out a series of violent raids across northern Europe, terrifying many people in the region.

### **The Vikings - Oxford University Press**

This is an excellent survey history of the Vikings which may never be superseded. Gwyn Jones managed to learn the entire plethora of languages in which the source documents were written (for example old and middle Welsh). It is not clear that there will ever be another scholar willing or able to learn all these now highly obscure tongues. Archeological finds continue to be made but given that the Vikings built with wood rather than stone, what is found is frequently not very enlightening.
