The "NirV" and "New International Reader"™s Version" trademarks are the property of International Bible Society. Use of either trademark requires the permission of International Bible Society.

The Holy Bible, New International Reader™s Version, NIV

The New Testament was released in 1973 and the full Bible in 1978. The NIV underwent a minor revision in 1984. In 1997 a new version was published in the UK as the New International Version Inclusive Language Edition, but was not published in the U.S. because of opposition from conservative evangelical groups there to inclusive language.

New International Encyclopedia - PDF documents

In other words, it was the coherence of the text as a whole and the accuracy of information provided to the reader that needed to be corrected. This could never be done on a piecemeal or haphazard basis. In view of this situation, a new translation of the Bible in contemporary English was deemed to be justified. This new translation was called the International Standard Version (ISV). The ISV ...

international version - ISV

new, contemporary English translation of the Bible. With the help of scholars from all over the world, and multiple reviews from a committee of multiple denominations, the New International
