Tinder is revolutionizing the most important thing in human societies: relationships and love. According to a report by InterActiveCorp, over 10 million matches take place on Tinder every day.

How to Change Location in Tinder for Free to Get More

Like it or loathe it, Tinder has become a major component of people's dating repertoire in the past couple of years. For many people far removed from university, people who have moved to new cities and have limited social networks, people partaking in recreational travel across the world, or people who are just plain sick of nightclubs, the ...
